OMNIA M2+ MagSafe 2 +1 Wireless Charging Station

- The Apple-certified MagSafe charging module built into OMNIA M2+ couples perfectly with your new iPhone for a quick refill
- The Apple-endorsed MFM (Made for MagSafe module) supports up to 15W iPhone wireless charging for the best magnetic fast charging experience
- The side USB-C port fits the Apple original Watch charger to allow simultaneous quick charging of three devices
- The stylish, practical 2+1 wireless charging station easily replenishes your iPhone, Apple Watch, and AirPods in one shot
- With metal construction and chrome finish created through premium craftsmanship, the OMNIA M2+ complements your personal space and has your Apple devices ready every day
- Charging both vertically and horizontally, the OMNIA M2+ offers secure magnetic connections and precise alignment for effortless messaging and video viewing while your iPhone is energized wirelessly
- The FOD (Foreign Object Detection), OCP (Over-current Protection), and OVP (Over-voltage Protection) functions ensure your iPhone and other accessories from any accidental electromagnetic damage

- 3-year limited warranty
