The Artwizz Lightning Cable acts as both a charging and data transfer cable. The certified “Made for iPod, iPhone, iPad” cable quickly and easily charges all Apple devices with a lightning connector. Combine the cable with the Artwizz CarPlug or PowerPlug for effortless charging at home or in the car. The 0,5 m long Artwizz Lightning Cable transfers and synchronizes your information between iPod/iPhone/iPad and Mac/PC. The cable and casing are well made and long lasting.
