The Artwizz Rubber Clip iPad provides ultra-slim back protection for your iPad Pro 11 (2018). Without adding unnecessary bulk, it prevents scratches and signs of wear on the iPad's elegant exterior. Thanks to its special Soft Touch coating, the Rubber Clip is both pleasantly smooth and extremely grippy in your hands. Precision cut-outs for buttons, speakers and the Apple Pencil ensure unrestricted operability of your favorite device. The Artwizz Rubber Clip is visually discreet and yet your iPad Pro 11 (2018) is reliably protected in everyday use. The Rubber Clip iPad can be used in combination with the SecondDisplay screen protection glass from Artwizz to provide reliable all-round protection.
