The TPU Case for iPhone 12 mini is a handy case made of extremely robust TPU. The elastic plastic is neither soft nor hard; it's robust, flexible, and tough. It protects your iPhone 12 mini against scratches, signs of wear and minor shocks. The case frames your display, preventing it from coming into direct contact when placed face down on flat surfaces. The smooth surface doesn't attract dirt. The sleek look is completed by an interesting interplay of a glossy frame and matte backside.
