- Lightweight, heavy duty, 1000D water-resistant nylon Cordura. Attaches to your backpack shoulder strap, belt or any strap up to 3 inches wide using the patented Clakit Clip
- StrapPack provides a pouch with a Lanyard to safely carry and secure a Rangefinder on the front of your pack.
- Gives quick and easy access to your electronics and keeps them secure from theft. Fits most Rangefinder models up to 4.2 x 3.6 x 1.9 inches (Simmons, Nikon, Leica, Vortex, Suaoki, Precision Pro, Fnova, Bresser, etc.)
- Clip provides a secure, no-slip, no-bounce and comfortable fit. Tested to 120 mph and 25 pounds. Easy to install; simply wrap clip around shoulder strap and squeeze to lock.
- Clip can be reused with any accessory that has a belt loop, belt clip or molle backing. Can be used with optional lanyard to further protect your electronics from damage due to drops.

Fits a Rangefinder measuring up to 4.2"x3.6"x1.9"
