StayGo returns all your favorite ports from previous gen MacBooks.

StayGo is a portable hub that restores all the MacBook legacy ports and connections you need. Connect backup drives, download photos from an SD card, hook up external HDMI monitors, and more in one compact box. This handy hub's 1-meter desktop cable gives you the length necessary to keep wires tucked away for a clean workspace. Working remote? Switch to the StayGo travel cord, which is conveniently stored inside the all-metal hub. Now, wherever work takes you, you can Stay, or Go with ease.
