HiRise 3 is an elegant stand designed to wirelessly charge your iPhone, Watch, and AirPods at the same time, in a space smaller than an iPhone. The vertical space saving design creates a more zen-like vibe, ending the clutter of multiple charging cables or a mousepad-sized flat charger. HiRise 3 floats iPhone upright with MagSafe so you can read notifications and silence the snooze without lifting your phone. As a bonus, the flat base on HiRise 3 can charge AirPods or any older phone without magnetic charging. Enjoy sweeter dreams knowing your three most important devices will be fully charged when the alarm sounds.
