Save time. Organize your Apple Watch bands with TimePorter:

TimePorter conveniently holds up to six Apple Watch bands, brilliantly showcasing your favorite bands and making it easy to find the perfect one to match your outfit of the day. The glossy white finish of TimePorter complements your space, whether in your closet, your bathroom, or wherever you'd like to add more organization. Safely install on any wall or surface using the included 3M Command Strips and easily remove when needed. Have a large collection of bands? Connect multiple TimePorters in a row to showcase your Watch bands. No more searching through drawers or only finding one-half of your favorite band! You'll have them all safely stored and displayed with TimePorter.

Grab your favorite band in seconds:

Tired of wasting time searching for both halves of your favorite Watch band? TimePorter is your answer. This white glossy bar neatly holds up to six Apple Watch bands so you can easily find your favorite one. This Watch band rack holds nearly every band, regardless of brand or manufacturer, including two-piece bands and loops.

Hang it as art. Or hang it out of sight:

Attach the glossy white TimePorter to any wall or flat surface using the included 3M Command Strips. Hang TimePorter on a bedroom wall to display your band collection. Attach this slim Watch band organizer to a closet wall or on the side of a dresser or anywhere else you'd like to see, or not see, your Apple Watch bands.

TimePorter bands together:

Have a growing collection of Apple Watch bands? Keeping getting your bands mixed up with your partners Watch bands? Connect multiple TimePorters together to organize all of the Watch bands in your home. Make one long colorful row of Watch bands, or multiple smaller rows.

Dedicated valet for your Apple Watch bands:

TimePorter is the perfect way to protect your Watch bands by keeping them high and dry, away from potential spills. Having your favorite bands within easy reach means you will wear your different bands more often.
